Dear brethren,

We were very honored to have Reverend Brian Bailey visit us once again, for a powerful weekend filled with deep and invaluable truths about the kingdom of our Father. On Friday and Saturday, he taught on 'The Way To Glory'. On Sunday, we were taught on the three houses of Esther, with meekness being the important quality we need to move up from the house of adoption, which is the first house to the house of the chosen which is the second. We must also seek to be in the third house, the house of the king, where we can change decrees, because it is the place of authority (Psalm 65:4). We should also seek to represent the most dominant colors of the earth; those being blue – signifying the word of God, green- signifying fertility, and white- signifying the holiness of God.

You can contact the web team at info@cmfmaryland.com for information on how you can get a CD copy of any of the messages of the weekend.

Pastor Robinson left for South Africa earlier today and will be ministering there this weekend from Friday to Sunday. He will return to the US on Wednesday, April 7th. Prayers for Pastor Robinson will take place on the conference line everyday and at his residence on Saturday morning at 10:00 a.m. The prayer topics have been sent to everyone on our mailing list. If you have not received them, please [click here](#) to get them. Let us, through our prayers, support our pastor in reaching the nations and transforming many lives. It is for this purpose that we continue to encourage you to give generally to the missions fund. You are changing lives, and you will be greatly rewarded.

God bless your week!
