Beloved brethren,

We had an awesome time in God's presence this week as we gathered during the joint service. There was a rich sense of the presence of God during the liberating praise and worship. The powerful and living word that was spoken by Pastor Robinson gave adequate insight and guidance about practical applications of servanthood. It was God's way of inspiring and refreshing us for the work He has called us to and saved us for.

We have several announcements to make this week. First of all, we are pleased again to announce the birth of David Fondong to join the family of Pastor Robinson, Sister Elizabeth and Paul. He was born on the 19th, and indeed it was an amazing thing for him to be dedicated to the Lord during Sunday's service.

Secondly, after receiving reports for several weeks of outstanding testimonies from the ministry in South Africa we express sincere gratitude to everyone who invested into praying and giving to support the trip. They were certainly successful and far-reaching.

Our congregation's combined efforts through God's enabling through the work of the cross have undoubtedly allowed for accomplishments of divine consequence. In light of this new efforts are beginning in order to ensure that this unified spirit of mutual collaboration are strengthened right here in our own assemblies. At the end of Sunday's meeting Sister Elizabeth Fondong asked for increased participation in the food ministry in Westminster. A roster will be formed where each individual in the church will be asked to sign up to bring something to eat or drink during one Sunday meeting per month. As a means of starting this project off on a good first step, we'd like to request for everyone to bring a dish this Sunday.

Finally, in addition to all of the announcements we ask for prayers for the Pastors of the respective churches because the Bible tells us to pray for all of those in authority. We do well by beginning in our own localities by praying for our Pastors. We can recall the countless biblical examples where individuals prospered spiritually and materially by supporting their spiritual leaders. This week please take some time to support your leaders by praying for them.
