Beloved brethren,

We were very honored to have Pastor Robinson and his delegation from Westminster, visit the church in Riverdale last Sunday. It was indeed an awesome service charged with powerful worship and a compelling word from Pastor Robinson. He reminded the church that God has a task for everyone and urged the members of the congregation to get involved, and make the work a success. He also took some time to express his appreciation to some individuals who have worked hard and stood firm with him, and to the church as a whole. He stressed on the importance of loyalty the need of uniting the important elements we need to defeat the enemy and establish victory for the kingdom of God.

At the Westminster assembly, Br Roger Nkembe preached about the necessity of holiness and a sin free life. He insisted that God, the creator, in love sent the Word, Jesus, as a manual for our lives. The bible is the manual for our lives; therefore don't do the don'ts of this manual. Take habit to listen to sermons by visiting the church website, www.cmfind.com/Sermon.aspx

Next Sunday, we will have a joint service in Westminster at the Rescue mission. There will be no service in Riverdale. The Friday prayer meeting will be held from 7:00pm, at the residence of Pastor Robinson, in Westminster.

The church will take a 3 day complete fast this week from Wednesday the 27th to Friday the 29th. Everyone is encouraged to participate. We will be praying for personal revival for the church and at personal levels. We will also pray for God's direction and power to accomplish our personal goals, and the goals of the church, for the year 2010.

As previously announced, Pastor Robinson will be travelling to Brazil to minister from the 10th to the 22nd of February. Please support him in prayer, so that God will do a mighty work through him, and many will be saved, healed and delivered. Let us also continue to partner with him through our contributions to the extended ministry fund.

Regular prayers of Pastor Robinson continue at his home and on the prayer line on Saturdays and Sundays, and for Pastor James, at their respective times.

We encourage you to continue praying for the disaster struck residents of Haiti, and to help them in any way that you can.

May God abundantly and richly bless you, sustain you through the fast and may your prayers to be answered.
