Beloved Saints of God,

We are grateful for the ample turnout at Sunday's joint service, the last Sunday service of the year. The meeting was marked by jubilant praise, worship and a compelling message by Pastor Robinson Fondong. Captioned *The Mystery of Words and Speaking Our Way to Victory*, Pastor Robinson emphasized the power of words in the mouth of a believer. Who we are today is because of the things we have confessed about ourselves. Words are so significant that Christianity is referred to as "The Great Confession". While faith and prayer will get your request to the Throne of Grace, your words or confessions will certainly bring you results.

The Pastor also stressed the dangers of sexual sin as a microcosm of all sin, especially sins that defile the body, the temple of God. Your body is sacred. Your body is the temple of the Holy Spirit, meanwhile sexual sin is physically invasive and mentally abrasive. An intense hatred for sin is indispensable in the life of every believer. If you are comfortable in sin, it is a sign in itself that you do not belong, for the thought of sin must be repugnant to every child of God.

We remind you of the upcoming end of year festivity service scheduled for Thursday December 31st from 6pm till midnight. Refreshments have always been a traditional part of our celebration so please bring food to share with the brethren and spread the spirit of goodwill and cheer of this joyous season.

The deliverance team will be leaving for Brazil with Pastor Robinson at the end of January. They will be ministering to the Church in Brazil. Please pray for their trip to and the success of their ministry. Specific dates will be conveyed to you in due time.

The prayer team is praising God for answered prayers with regards to the life and ministry of Pastor Robinson. These have been the result of relentless intercession that has been raised to the Lord on the behalf of our Pastor. You are invited to join the prayer team for Pastor Robinson at the Fondong's residence every Saturday at 10:00a.m. and Sunday at 9:00p.m. by conference call.

In a few days we will be celebrating the 1 year anniversary of the newsletter. The newsletter project was begun in January 2008. God be praised for bringing us this far. We are encouraged by all those who have written to appreciate the team of writers and editors. We are grateful for the privilege to be a blessing to Body of Christ.

May the later part of this year be more fruitful for you than the former. Happy Holidays and Happy New Year 2010!!!
